**1. Call to Order**

The Wildwoods Highlands Landowners' Association held its 2016 Annual General Meeting at the Datil Community Center on 21 May. President Wayne Cooksey called the meeting to order shortly after 10:00 AM. Members of the WHLA Board of Directors in attendance were Tom Cook, Jamie O'Gorman, and John F. Schaefer. Director John Kell was unable to attend.

Board Secretary John Schaefer advised that:

- the number of members presenting ballots was 46.

President Cooksey noted that:

- the number of members in good standing was 95, and
- the number of members needed for a quorum was 48.

Since a quorum was not reached, President Cooksey adjourned the meeting, and called a second meeting, noting that:

- the number of members needed for a quorum for the second meeting was 24, and so
- a quorum was reached.

**2. Minutes of Previous Meeting**

The Secretary read the minutes of the 2015 General meeting. A motion to accept the minutes was approved by voice vote.

**3. Secretary's Statement of the Completeness of Records**

As required by WHLA Bylaws Section 4.11.1, John Schaefer formally certified that the records are complete and that he has kept them to the best of his ability.

**4. Treasurer's Report**

Treasurer Tom Cook presented the 2015 and current financial reports:

The final 2015 financial statements were reviewed:

- 2015 revenues (\$7437) were 104.6% of the budgeted amount (\$7108),
- 2014 expenses (\$5,298.10) were 79.9% of the budgeted amount (\$6,633.00).

The interim 2016 financial statements were reviewed:

- 2016 revenues to date (\$7,472) are 91.4% of the budgeted amount (\$8178),
- 2016 expenses to date (\$115) are 1.6% of the budgeted amount (\$7325).

Liens and delinquencies were reviewed. At present:

- 1 lot (Lot 71) has a lien filed against it, but the owners are making payments to get current.
- The owners of Lots 12, 69, and 97 are in arrears.

The reports as described above were approved by voice vote.

**5. Road Report**

Vice-President Jamie O'Gorman presented the roads report. Grading will commence as soon as it can be scheduled. Jamie presented a plan for subsequent maintenance; it will be summarized and published in the Summer 2016 *HIGHLANDER*.

**Road Improvements**

- \$4,000 has been budgeted for road improvements in 2016.

**Road Maintenance**

- \$2,800.00 has been budgeted for road maintenance in 2016.

Jamie's report was approved by voice vote, after considerable and spirited discussion of maintenance issues. There was little agreement as to the relative condition of our roads as compared to that of other local subdivisions. In the end the conclusion of the secretary is that there were no concrete accomplishments other than the perhaps useful airing of opinion.
